SCHOLARSHIPS & AWARDS

In preparation for graduation and the graduation program, we invite seniors to submit academic and athletic awards and scholarships from the colleges or universities to which your student has applied. Information received will be published in the graduation program. In order to comply with publishing deadlines, award submissions **must be received by Friday, May 6th**.

Please provide a photocopy of all academic, competitive and merit based awards received by your student and indicate which post-secondary awards your student has accepted. It is MANDATORY that all seniors complete their post-graduate survey on Family Connection in order to complete their graduation requirements and have their final transcripts submitted.

ALL questions MUST be answered. Click on the "About Me" tab.
